Please remain in the waiting room until the host greets you.

SPEAK TO AN ATTORNEY WITH THE JUSTICE AND ACCOUNTABILITY CENTER PRIOR TO COURT

Justice and Accountability Center Louisiana (JAC) is a non-profit with the immediate goal of promoting access to justice through legal services for the community. JAC will be working closely with the 19th JDC clinic by providing Cherie Teamer as an attorney to give advice-only to community members who are addressing their legal matters during the virtual clinic. Cherie will be on hand (virtually) to speak directly with people regarding their legal matters and give them advice on how to proceed when speaking with the District Attorney and Judge regarding possible resolutions for their traffic tickets, fines, and fees.
